# Coverage Extended for August MA Renewals Not Yet Received

- ▶ DHS extended coverage for one month for people whose July renewal paperwork was overdue. MA closed July 31 (instead of June 30) for people who did not return their July renewals.
- ▶ DHS is now extending coverage for one month for people whose August renewal paperwork is overdue. MA will close August 31 (Instead of July 31) for people who do not return their August renewals.
- ▶ This helps people who may still qualify but who face **barriers such as lost or missing renewal forms**.
- ▶ The extra month lets DHS and partners **find** and **connect** with people who haven't responded.
- ▶ Despite the extension, **people should still send in renewal paperwork ASAP**.
- ▶ Those already determined ineligible before these extensions did lose coverage. Some would have immediately qualified for **MinnesotaCare**, others can get help through **MNsure**.
