

# AFFORDABLE INSULIN. NOW.

**NO INSURANCE NEEDED**

## Being short on cash shouldn't mean being short on insulin.

The Minnesota Insulin Safety Net Program was created to help Minnesotans who face difficulty affording their insulin. This life-saving program is made up of two parts: the urgent need program and the continuing need program.

### > URGENT NEED PROGRAM

Eligible Minnesotans can receive a 30-day supply of insulin immediately at their pharmacy for no more than \$35.

### > CONTINUING NEED PROGRAM

Eligible Minnesotans can receive up to a year supply of insulin for no more than \$50 per 90-day refill. Visit [MNinsulin.org](http://MNinsulin.org) for more information on getting help to apply.

*See back for details on how to apply.*

# HOW TO APPLY

1

## FILL OUT AN APPLICATION

Complete the application form at [mninsulin.org](http://mninsulin.org). Just open the file and follow the instructions. If you are not able to access or print this form, please ask your pharmacist for the “urgent need insulin application.”

2

## TAKE IT TO YOUR PHARMACY

Take your completed application form to your pharmacy with valid identification and insulin prescription.

3

## GET YOUR INSULIN

If you qualify for the urgent need program, you can receive your insulin immediately, but you will need to pay up to a \$35 co-pay to receive your 30-day supply.

Get started at
