Re: PAI ROP Notice

Household ID: [REDACTED]

Dear [REDACTED],

Act Now to See If You Qualify for Tax Credits

Why am I getting this notice?

MNSure asked you for proof of your projected annual income (the income you expect to earn in 2026). We did not receive the proof we needed by the deadline.

Because of this, your premium tax credits will end on November 1, 2026. Your health insurance coverage will continue, but you will have to pay the full monthly cost.

What do I need to do?

To see if you can get tax credits again:

1. Log in to your online account at MNSure.org.
2. From your dashboard, select **Edit Application**.
3. Review your application and update any information that has changed.
4. Sign and submit your application to have your eligibility checked again.
5. Do not make any changes to your current enrollment or select a different plan. Any changes to your eligibility for premium tax credits will automatically be applied to your 2026 premiums.
6. Upload any documents needed to verify your information.

When do I need to act?

- You must act by **October 31, 2026**, to see if you are eligible for tax credits **starting November 1**.
- You must act between **November 1 - November 30, 2026**, to see if you are eligible for tax credits **starting December 1**.

If you do not act by November 30, you will not get tax credits for November or December 2026.

NOTE: If you are on automatic bank draft, the full premium may draft from your bank account.

What if I have questions about this notice?

- We encourage you to call the MNsure Contact Center at 651-539-2099 (855-366-7873 outside the Twin Cities) and reference '**MNsured Form PAI ROP**'.
- If you want to appeal your eligibility, please see the enclosed Appeals Rights document titled 'Important Appeal Rights'.
- If you have hearing or speech disabilities, contact us using your preferred relay service.

Thank you,
MNsured
